ANNOUNCING

Club Zest @ Lime

A refreshing approach to beauty with a new twist.....

Tracey
Clinic Owner

It's Tracey here from Lime Beauty Therapy and I am pretty excited about the launch of additional Club Zest Opportunities.

We're giving you the ultimate opportunity to become a member of your very own beauty salon. We are offering a very special introductory price for Club Zest early-bird participants, depending on what you want, you can find an option to fit your requirements and budget!

You get to choose when to visit and which clinic you want to visit (whenever we are open) and have whatever services you like, depending on which Club Zest option you choose, and not pay a cent more! You can visit every day for a year, for a minute, an hour or a day! You will feel like a kid in the world's biggest candy shop and will become a Lime "beauty salon junkie"

When you choose one of our three options, you pay the one fee up front (or over three easy payments) via auto-bill on your credit card and that's it for an entire year! Or pay weekly using Q-card or Farmers card. That's as easy as it is... you can have whatever you like in your chosen option for FREE. There is absolutely no limit to the amount you can have within your purchased category.

This is an amazing offer and who knows when I may have to put the price up! So it's up to you to be a lucky client and snap up your choice soon. Why would we do this you ask? Because we are guaranteed to keep you as a client for the next 12 months and when your friends notice how well groomed you are (and that you look years younger from all your free facial treatments) they will want to visit us too!
